South Tyneside Against Bullying is a UK Non Profit Organisation that is based in the North East of England and help teens of all ages who are being bullied or who have experienced bullying.

We believe that no one should endure the pain, fear or isolation of being bullied, and that everyone has the right to be safe from bullying, violence and harassment.

South Tyneside Against Bullying makes sure that all young children and vulnerable adults are kept safe.

In 2014 South Tyneside Against Bullying were short listed for two major awards in the local are, The Pride of South Tyneside community group of the year award and North East Press Sunderland's excellence awards for contribution to culture.
